Hr Langballe

Det er en Misforstaaelse naar De siger at jeg har laant en Kasse
Granitprøver af Dem.

I saa Fald burde jeg gjøre en Undskyldning for at jeg ikke for længst havde
tilbageleveret dette Laan - men det kan jeg ikke.

Jeg anmodede Dem

i sin Tid om at overlade Albertina de Granitprøver De havde forelagt og
efter en lille Betænkning gjorde De det.

Prøverne ere derfor i Albertinas Værge og opbevares i Thorvaldsens
Musæum sammen med en Deel andre Prøver som med Beredvillighed
blive os overladte af Hans & Jørgen Larsen.

Naar jeg en Dag kommer til Byen - men det skeer

sjældent i denne Tid, skal jeg gaae op og fremtage de fra Dem sendte
Prøver og da give Dem nærmere Underretning.

Ærbødigst

C. Jacobsen jun.
